

Sunday, September 20
Sherwood Island State Park, Westport

Support kids with cancer. Help line the course with hope.

On Sunday, September 20, hundreds of walkers, runners, families, and supporters will gather at Sherwood Island State Park for Make Tracks for Kids with Cancer—Connecticut's only statewide walk/run supporting children with cancer and their families. We invite you to be part of this inspiring day by placing your name, family, or business along the course as a visible reminder that no family walks this journey alone.

As participants make their way along the course, they'll be surrounded by signs representing the people, families, businesses and organizations standing beside them. Your support helps Circle of Care provide practical, emotional, and financial assistance to local families facing childhood cancer—because kids need more than medicine to heal.

Show you CARE on the course!
